CAMPUS NEWSLETTER

YEAR 5, Jun, 2015 – April, 2016, ISSUE-6

WELCOME NOTE FROM THE PRINCIPAL

Dear parents and students, Welcome and sincerest greetings from all the teachers and staff members of YIS. I would like to start this newsletter with warm congratulations to the O' Level & A Level students of YIS of June 2015 session for their excellent results, with the world highest marks in Mathematics.

We are almost towards the end of the Final Term of this session and all the academic & extra-curricular activities are going on smoothly at their own pace. Four monthly tests, different events for all classes, study tour, the annual picnic and the cultural programme on the occasion of Pohela Boishakh, 1423 have also been conducted successfully.

We also have started our Middle campus for the students from STD II - V with spacious and airy accommodation.

I would like to share the progress of YIS sports as well. Both the boys and girls team of YIS are now participating in different Inter-school tournaments in football and handball.

In addition, as the Final exam is very near, I would request the parents to take care of their wards at home. And would advice our students to be more attentive towards their studies to keep up their good work.

Thanks & Regards,

Muhammad Hasanuzzaman
