

WELCOME NOTE FROM THE PRINCIPAL

Dear parents and students,
Happy New Year! Wholehearted welcome and sincerest greetings from YALE. We have already completed half of the session 2016-17 successfully. I would like to congratulate the O' Level (IGCSE) 2016 batch for their excellent results and expect the same output from them in the A' Level. Including the regular academic activities, several extra-curricular activities such as Coloring Blast, Rhymes with Activities, Fruits Display Party, Spelling Bee etc. have been done. Specially the awareness programs like Health & Hygiene, Food & Nutrition, Plantation etc. were arranged in a more effective way. Simultaneously, students are taking part in different Inter-school competitions in sports. In this session, YALE arranged the Recognition Program in a very sophisticated & formal way. We expect to do many more like these to bring positive changes in our students' academic lives. Students, this is the starting of the Final Term. Do not hesitate to ask your teacher for any academic help. YALE teachers are always ready & eager to help for the academic enrichment of each student.

Thanks & Regards

Muhammad Hasanuzzaman
